Dear Friend of The V Foundation:

Volunteers in your area have joined together to create a fundraising event to benefit The V Foundation for Cancer Research. The **2010 "Jimmy V" North Carolina Foosball Open** will be held on April 16-18, 2010, in Raleigh. We sincerely request your consideration of support for this event.

The V Foundation for Cancer Research was established in 1993 by ESPN and the late NC State basketball coach Jim Valvano. Our mission is to save lives by helping to find a cure for all cancers. Since our inception, The V Foundation has raised more than \$90 million for cancer research. The V Foundation operates with a small staff and an all-volunteer Board of Directors and Scientific Advisory Board. In addition, The V Foundation awards 100 cents out of every dollar to cancer research and related programs.

Cancer does not discriminate. If current trends continue, it will strike one of every two men and one of every three women in the United States in our lifetime. The V Foundation funds research for all types of cancers nationwide. We are excited that our friends have chosen us for their fundraising efforts. Your support is a big step in their success. Grassroots efforts such as this are the heart of V Foundation funding. Please join our cause!

Please join The V Foundation friends in our fight against this disease. If you would like further information about the **2010 "Jimmy V" North Carolina Foosball Open**, please contact Alan Cribbs at (336) 325-3183. If you would like any additional information about The V Foundation for Cancer Research, please feel free to call us at 1-800-4JimmyV, or visit our website at www.jimmyv.org.

Once again, thank you for your consideration.

Sincerely,

Nick Valvano
Chief Executive Officer

Since 2001, the Bonzini U.S.A. Players Association has organized and promoted this tournament event. Together, through their efforts and sponsor contributions, we have raised over \$22,600.00 in contributions for the Jimmy V Foundation for cancer research.
